Ambassador Un-lacquered
Polished Brass Bespoke

Ambassador Bronze Antique

Ambassador ranges have switches that sit
within a plastic trim

Ambassador

- Secondary fix
- Rounded corners
- Slotted screws
- Matching trimmed switches*
- Matching fast charge
USB Sockets available

Ambassador

Beautifully trimmed matching* switches give this range its popularity, whilst rounded corners gently soften. With slotted screws.

*Except Primed and Colour Coated, Jordan Bronze and Bronze Satin Stainless finishes where black or white plastic switches are used as standard.

Ambassador Square Corners

- Secondary fix
- Square corners
- Slotted screws
- Matching trimmed switches
- Matching fast charge USB Sockets available

Ambassador Square Corners Bronze Antique

Ambassador Square Corners Satin Stainless Steel

Ambassador Square Corners

Crisp, stylish and modern, Ambassador Square Corners will give your projects that extra edge. Characteristics include trimmed switches and slotted screws.

Horizon Satin Stainless Steel
